VILLAGE OF SHERRARD FIBER DROP AGREEMENT

In order to provide you with our internet service, we will need to bury our fiber in your yard up to your house. Please let know if we have permission to bring our Fiber Drop to your residence.

There is no cost to you for us to bring our drop to your home if we can do it while we are in town working. Even if you do NOT want our service there is no charge, if you decide not to take our drop now and then change your mind at a later date, you would be charged for us to bring it to your home.

Permission to bury

- Yes, you have permission to bring the drop to our house
- No, we do not want a fiber drop brought to our house.

Do you have any of the following buried in your yard? Mark any that apply.

- Underground Dog Fence
- Septic System
- Water Line
- Electrical Line
- Other
